DP-L SERIES

RELIABLE AND USER-FRIENDLY DOCUMENT
PRODUCTION SYSTEMS

Duplo's DP-L series models are very productive and flexible digital duplicators. They are equipped with reliable and user friendly operations which produce excellent prints at a speed of 130ppm. The DP-L series can feed a wide range of stocks from carbonless to card and from postcards to 297 x 364mm.

Visit us online at www.duplointernational.com for more information *from print to documents*
